Company Information

04.10.2007

Blaubeuren, October 4, 2007 - As of the date hereof, centrotherm photovoltaics AG together with the Selling Shareholders, Hartung Beteiligungs GmbH and Autenrieth Beteiligungs GmbH, and the Sole Global Coordinator Citigroup Global Markets Limited have determined the offering period and the price range on the basis of which purchase offers may be submitted for shares of centrotherm photovoltaics AG.

The offering period during which investors can submit purchase offers for shares of centrotherm photovoltaics AG starts on October 5, 2007 (including) and ends on October 11, 2007. On the last day of the offering period the submission of purchase offers by retail investors is expected to be possible until 12:00 noon (CEST), and by institutional investors until 5:00 p.m. (CEST).

The price range within which purchase offers may be submitted has been set at between EUR 26.50 and EUR 34.50 per share. The final offering price will presumably be determined on October 11, 2007. Trading of the shares on the official market (Prime Standard) of the Frankfurt Stock Exchange will presumably commence on October 12, 2007. The shares will presumably be delivered on October 16, 2007 upon payment of the final offering price plus customary commissions.

About centrotherm photovoltaics AG: centrotherm photovoltaics AG is an internationally-active technology- and service-provider for producers of solar cells and solar silicon. The Company possesses business activities which cover major parts of the photovoltaic value chain. Among its customers are renowned companies of the solar industry, such as German companies Q-Cells, ErSol and Sunways, but also new entrants in Europe, Asia and the US. The Company is located in Blaubeuren near Ulm and currently employs more than 100 employees.
